

THE COMMITMENT

to Excellence in Crenshaw County

Dear friends of Crenshaw County Schools,

As first semester comes to a close and the holiday season quickly approaches, we are counting our blessings and acknowledging the love and support that make our school community truly special. We are blessed with wonderful students, involved parents, and hard-working faculty and staff.

We are grateful for the opportunity to be part of your child's educational journey. The laughter, curiosity, and achievements of our students fill our halls and our hearts with an undeniable sense of pride and accomplishment. Thank you for entrusting us with the privilege of shaping their future. We are truly blessed!

The Christmas season is a season of giving. There is no greater gift than giving of your time and yourself. Although your time costs nothing, its value is immeasurable. Be present, smile, hold a door for a stranger, help a neighbor, spread kindness, be uplifting, and share joy, love, and hope. Each of these simple acts will be a blessing to others and in turn, bless you.

May your Christmas holidays be filled with bountiful blessings and immense joy!

ACT CERTIFIED EDUCATORS

Crenshaw County School district is dedicated to providing our educators with the opportunity for professional growth and development. As part of our educator growth initiative, we are pleased to share our first cohort of ACT Certified Educators. These teachers completed a rigorous two-day course and passed a certification exam in their respective content area in order to receive the highly prestigious ACT Certified Educator credential. Thank you, teachers, for your commitment to lifelong learning and improving student achievement!

All core teachers in grades 7-12 will have the opportunity to participate in the ACT Certified Educator course for their content area. Additionally, all teachers in grades 7-12 will also have the opportunity to participate in the ACT Certified Educator course for English and earn the English credential.
